

The Sanctions Pyramid

Level 4

Suspension is the most serious sanction the school imposes before permanent exclusion. The decision is made by the Headmaster

Level 3

Deputy Head Detentions take place on a Saturday morning. They take precedence over sporting commitments. A third DH Detention will result in suspension. Parents will be informed by a letter home.

Level 2

School Detentions will take place on Friday afternoons. Parents will be informed via email. A written 'Respect Task' will be completed during the detention. Heads of Year will keep records of School Detentions. A third School Detention will result in a Deputy Head Detention.

Level 1

Students will be required to complete a 'Respect Task'. Parents will be notified via the student planner. The task may be a written assignment, a presentation or an activity (e.g. litter duty) that relates to the misbehaviour and reinforces the principle of respect. The student will discuss the completed respect task with the teacher who set the task. If the task is not completed adequately in the required time the student will be kept in at lunchtime to complete it. If the task is still not completed satisfactorily the student will be given a school detention.

Homework detentions operate separately and are not part of the sanctions pyramid.
