

## Colfes U12A v St Olaves

### ***Friday 18<sup>th</sup> January.***

The conditions were not ideal, the pitch was very muddy and the rain poured down; despite this the match went ahead. In the first half play was even but St Olave's nicked a try to take them into the 2<sup>nd</sup> half with a 5 -0 lead. Going uphill in the 2<sup>nd</sup> half it was always going to be hard and it was, St Olave's dominated scoring two tries. The final score was 17 – 0. At the end of the match we were disappointed as we knew we could have played much better. This loss gives us motivation to get better and work harder in training so that we win our next match.
