

# GCSE and IGCSE Examination Results 2020

Note: Public examinations were cancelled in 2020 due to Covid-19. Following the failure of an attempt to award results by means of a computer based algorithm, results were eventually awarded on the basis of school predictions. Colfe's followed a rigorous and fair procedure in determining these Centre Assessed Grades which are recorded in the tables below. In a few cases, pupils sat actual exams in the autumn of 2020, successfully improving upon the Centre Assessed Grades.
