

Harmful and Abusive Behaviours (Anti-Bullying) Policy

AIMS AND OBJECTIVES

At Colfe's, our community is based upon respect, good manners and fair play. We are committed to providing a safe and caring environment that is free from disruption, violence and any form of harassment so that every one of our pupils can develop their full potential. We expect our pupils to treat members of staff with courtesy and co-operation so that they can learn in a relaxed, but orderly, atmosphere. All pupils should care for and support each other.

Colfe's prides itself on its respect and mutual tolerance. Parents/ guardians have an important role in supporting Colfe's in maintaining high standards of behaviour. It is essential that school and homes have consistent expectations of behaviour and that they co-operate closely together.

This policy is available to parents of pupils and prospective pupils on our website and on request. It is also communicated to all staff and pupils.

Harmful and abusive behaviour (bullying), harassment, victimisation and discrimination will not be tolerated. We treat all our pupils and their parents fairly and with consideration and we expect them to respect the staff, the school and each other, in return. All forms of harmful and abusive behaviour are unacceptable at our school and any instances will be recorded and, where appropriate, will result in disciplinary action.

This policy applies to all pupils in the school, including those in the Early Years Foundation Stage/Nursery.

DEFINITION OF HARMFUL AND ABUSIVE BEHAVIOURS

Harmful and abusive behaviour, including bullying, can be defined as "behaviour by an individual or group, that intentionally hurts another individual or group either physically or emotionally".
(Guidance on Preventing and Tackling Bullying, Department for Education)

Put another way, it is the intentional hurting, harming or humiliating of another person by physical (including any threat of or use of violence of any kind), sexual, verbal (including via email, social media and SMS or other instant messages), and emotional (including by excluding, being sarcastic, name-calling, tormenting or spreading malicious rumours) means. It can involve manipulating a third party to tease or torment someone, or actions that fall short of direct participation, where someone encourages others to bully, or joins in with laughing at a victim. Bullying is often hidden and subtle. It can also be overt and intimidatory.

Harmful and abusive behaviour may involve actions or comments that would be classed as prejudice-based bullying because of a protected characteristic; ie sexual or sexist, homophobic, racist, which

focus on religion or cultural or family background, special educational needs, disabilities or physical attributes (such as hair colour or body shape). It may also be unpleasant in other ways.

Harmful and abusive behaviour can happen anywhere and at any time and can involve anyone - pupils, other young people, staff and parents.

ARRANGEMENTS FOR DEALING WITH PEER-ON-PEER ALLEGATIONS

Peer-on-peer abuse is abuse by one or more pupils against another pupil. It can manifest itself in many ways and can include sexting, sexual violence or harassment, initiation/hazing-type violence and rituals and gender-based issues. Abusive comments and interactions should never be passed off or dismissed as “banter” or “part of growing up”. The School recognises that children can be particularly vulnerable in residential settings and are alert to the potential for peer-on-peer abuse. See Educational Visits Policy.

The School takes the following steps to minimise the risk of peer-on-peer abuse:

- effective implementation of the school's usual safeguarding and harmful and abusive behaviours (anti-bullying) policies (and recognition that sexualised abuse, including verbal abuse, by peers is a potential safeguarding issue);
- seeking advice from statutory agencies, as appropriate, and readiness to make a referral if an incident meets the referral threshold set by the Local Safeguarding Children Board;
- if a child is in immediate danger or is at risk of harm, an immediate referral to children's social care and/or the police;

See our Child Protection and Safeguarding policy and Peer on Peer Abuse policy for more details.

DEFINITION OF CYBERBULLYING

Cyberbullying can be defined as "the use of information and communication technologies to support deliberate, repeated, and hostile behaviour by an individual or group that is intended to harm others"(Belsey, <http://www.cyberbullying.org/>). It is an aggressive, intentional act carried out repeatedly over time, often against a victim who cannot easily defend himself/ herself.

Cyber-bullying could involve communications by various electronic media, including for example:

- Texts, instant messages or calls on mobile phones;
- The use of mobile phone camera images to cause distress, fear or humiliation;
- Posting threatening, abusive, offensive or humiliating material or comments on websites (including blogs, personal websites and social networking sites such as Facebook, Instagram, Twitter or YouTube);
- Using e-mail to message others in a threatening or abusive manner; or
- Hijacking/ cloning e-mail accounts.

CYBERBULLYING - PREVENTATIVE MEASURES

For the prevention of cyber-bullying, in addition to the measures described above, Colfe's:

- Expects all pupils to adhere to its policy for the safe use of the internet/ E-Safety Policy. Certain sites are blocked by our filtering system and our IT Department monitors pupils' use;
- May impose disciplinary sanctions for the misuse, or attempted misuse, of the internet;
- Issues all pupils with their own personal school email address. Access to [all social media sites and] personal email sites such as "hotmail" is not allowed [from school computers/ tablets] inside school;
- Offers guidance on the safe use of social networking sites and cyberbullying in PSHEE lessons, which covers blocking, removing contacts from "friend" lists and sharing personal data;

- Offers guidance on keeping names, addresses, passwords, mobile phone numbers and other personal details safe;
- Does not allow the use of mobile phones in classrooms (unless at the specific request of a teacher), public areas of the school, or where they may cause annoyance to others; and
- Does not allow the use of cameras/ mobile phone cameras in toilets, washing and changing areas.

THE SCHOOL'S RESPONSE TO HARMFUL AND ABUSIVE BEHAVIOUR (INCLUDING BULLYING)

At Colfe's we always treat harmful and abusive behaviour very seriously. It conflicts sharply with the school's social and moral principles, and potentially with its policy on equal opportunities, and will not be tolerated.

Harmful and abusive behaviour, including bullying, can be so serious that it causes physical, emotional and psychological damage, eating disorders, self-harm and even suicide. Whilst bullying is not a specific criminal offence, there are criminal laws which apply to harassment and to violent and threatening behaviour. No one deserves to be a victim of such behaviour: everybody has the right to be treated with respect. Pupils who are victims of harmful and abusive behaviour will be supported. Pupils who have engaged in such behaviour will be subject to appropriate disciplinary sanction and will also, where possible, be supported in learning different ways of behaving.

Harmful and abusive behaviour which occurs on school trips or outside of the school's premises will not be tolerated any more than if it happened on school premises. Teachers will, where appropriate, discipline pupils for misbehaviour outside school premises and outside school hours.

SIGNS OF HARMFUL AND ABUSIVE BEHAVIOUR (including bullying)

Changes in behaviour that may indicate that a pupil is being bullied include:

- Unwillingness to return to school;
- Displays of excessive anxiety, becoming withdrawn or unusually quiet;
- Failure to produce work, or producing unusually poor work, or work that appears to have been copied, interfered with or spoilt by others;
- Books, bags, money and other belongings suddenly go "missing", or are damaged;
- Change to established habits (e.g. giving up music lessons, change to accent or vocabulary);
- Diminished levels of self confidence
- Frequent visits to the Medical Centre with symptoms which may relate to stress or anxiety, such as stomach pains or headaches;
- Unexplained cuts and bruises;
- Frequent absence, erratic attendance or late arrival to class;
- Choosing the company of adults rather than peers;
- Displaying repressed body language and poor eye contact;
- Difficulty in sleeping or experiencing nightmares; or
- Talking of suicide or running away from home or school.

Although there may be other causes of some of the above symptoms, a repetition or combination of these possible signs of bullying should be investigated by parents and teachers and reported/ recorded as appropriate (see below)._

HARMFUL AND ABUSIVE BEHAVIOUR (including bullying) - PREVENTATIVE MEASURES

We take the following preventative measures in order to ensure that harmful and abusive behaviour does not become a problem which is associated with Colfe's:

Pupils

- All new pupils are briefed thoroughly on the school's expected standards of behaviour. They are told what to do if they encounter harmful and abusive behaviour. We guarantee that those who report harmful and abusive behaviour in good faith will not be punished and will be supported;
- We use appropriate assemblies to explain the school policy on harmful and abusive behaviour. Our PSHEE programme is structured to give pupils an awareness of their social and moral responsibilities as they progress through the school. The programme is structured to enforce messages about community involvement and taking care of each other;
- Other lessons, particularly RP, English and Drama highlight the issue of harmful and abusive behaviour and reinforce this message by developing social skills and by teaching moral and spiritual values that show harmful and abusive behaviour, including bullying, to be unacceptable;
- All our pupils are encouraged to tell a member of staff at once if they know or suspect that harmful and abusive behaviour is taking place;
- All pupils have access to a school counsellor who they can talk to privately;
counsellor@colfes.com
- Heads of House/Year operate a peer counselling scheme, whereby trained older pupils are encouraged to offer advice and support to younger pupils;
- Our Medical Centre displays advice on where pupils can seek help, including details of confidential help lines and websites connecting to external specialists, such as Childline, Kidscape, Get Connected, and the Samaritans;
- We provide leadership training to our School Captains and their team of prefects which specifically covers the importance of offering support and assistance to younger and to vulnerable pupils.

Staff

- Upon induction, all new members of staff are given guidance on the school's harmful and abusive behaviour at Colfe's. All school staff understand the principles of the school policy, their legal responsibilities, actions to be taken to resolve and prevent problems and sources of further support;
- All reported incidents are recorded and investigated at once. We always monitor reported incidents. Records of any incidents are recorded by Pastoral Leaders in order that patterns of behaviour can be identified and monitored;
- We have a strong and experienced pastoral team of Tutors, Heads of Year, and House who support the Director of Pastoral Care and are trained in handling any incidents as an immediate priority, and who are alert to possible signs of harmful and abusive behaviour including bullying;
- Our pastoral team gives support and guidance to other staff on handling and reporting incidents, and on the follow-up work with pupils. Inset sessions are held regularly, using outside experts;
- Our trained School Counsellor is an important part of our pastoral support service, providing specialist skills of assessment and counselling. She is available to give confidential advice and counselling support to pupils who can refer themselves to her when they have social, emotional or behavioural concerns. On occasion, a member of our pastoral team may refer a pupil to her as appropriate;
- Staff are always on duty at times when pupils are not in class and patrol the school site, particularly areas where harmful and abusive behaviour might occur. They are trained to be alert to inappropriate language or behaviour;

- The school has the right, and duty, to investigate incidents of harmful and abusive behaviour involving our pupils which take place outside school hours, on school visits and trips or that otherwise occur outside of school. The school has the right to take disciplinary measures in respect of such acts.

Parents

- We encourage close contact between the Form Tutor, Head of House/Year and parents/guardians, and will always make contact if we are worried about a pupil's well-being; and
- We welcome feedback from parents and guardians on the effectiveness of our preventative measures and all other aspects and results of this harmful and abusive behaviour (anti-bullying) policy.

PROCEDURES FOR DEALING WITH REPORTED BULLYING

Colfe's ensures that all instances of or concerns about harmful and abusive behaviour, bullying and cyberbullying on and away from school premises are easy to report and that they are recorded properly. Records of instances of harmful and abusive behaviour and such allegations will be kept on the Director of Pastoral Care's files, and also on pupil files and files relating to safeguarding where appropriate, in order to enable the school to identify patterns of behaviour and to evaluate the effectiveness of our harmful and abusive behaviour (anti-bullying) policy.

If an incident of harmful and abusive behaviour is reported, the following procedures will be adopted:

- The member of staff to whom it was reported, or who first discovers the situation, will control the situation, reassure and support the pupils involved;
- They will inform an appropriate member of the pastoral team as soon as possible;
- The victim will be interviewed on their own (or, if appropriate, with a suitable person present for support) and asked to write an account of events;
- Those involved, will immediately be interviewed individually (or, if appropriate, with a suitable person present for support) and asked to write an account of events;
- The incident should be recorded, preferably on a school incident form, and signed and dated before it is given to the Director of Pastoral Care who is responsible for keeping all records of such behaviour and other serious disciplinary offences, securely in a locked cabinet in her office. If it is not practicable to use the form, the incident must still be written down, signed and dated, and held securely the Director of Pastoral Care:
- The Director of Pastoral Care will inform the tutors, Heads of House/Year of those involved as soon as possible. In very serious incidents, the Deputy Head and Headmaster should be informed;
- In most cases, the victim will be interviewed again at a later stage by a member of the pastoral team separately from the alleged perpetrator. They will be offered support to develop a strategy to help him or herself. It will be made clear to them why revenge or retaliation is inappropriate;
- If appropriate, the alleged perpetrator will be interviewed again at a later stage by a member of the pastoral team, separately from the victim, and it will be made clear why their behaviour was inappropriate and caused distress. They will be offered guidance on modifying their behaviour. The school's Behaviour Management Policy may also be invoked. Sanctions under the Behaviour Management Policy might include, for example, detention or suspension from school. The school may exclude a pupil, either temporarily or permanently, in cases of severe or persistent harmful and abusive behaviour or in the event that the support put in place for the bully does not result in the modification of behaviour to an acceptable level.
- The parents/ guardians of all parties will be informed and may be invited into school to discuss the matter. Their support will be sought;
- A way forward, including where appropriate disciplinary sanctions and counselling, should be determined, and where possible agreed with all parties. This should recognise that suitable support is needed both for pupils who are being harmed and for pupils who harm others, as

well as dealing with disciplinary measures in accordance with the school's Behaviour Management Policy if appropriate;

- As part of this process, a meeting involving all the parties, with close staff supervision, may be convened to help develop a strategy which enables all concerned to close the episode;
- Records are kept of all incidents;
- In very serious cases, and only after the Headmaster has been involved, it may be necessary to make a report to the Police or to Social Services. However, in many cases it will be possible to resolve such issues internally under this policy and the school's Behaviour Management Policy.

NURSERY/EYFS CHILDREN

Even the youngest children at Colfe's are encouraged to behave towards each other with kindness and consideration. They are taught to look after their own possessions and to respect those of others. Our Core Values underpin the guidance we give each child on their journey of personal development and our PSHE programme of study supports this. We expect the children to be honest, helpful and polite, to work hard and to listen to others. We also encourage them to respect everyone and learn to value difference and diversity. The Head of the Junior School and Head of EYFS and Key Stage 1, are in charge of the management of behaviour in the EYFS Department.

We explain to children why some forms of behaviour are unacceptable and hurtful to others. We rarely need to impose sanctions in the EYFS; but sometimes we may give a child some time out for hurtful behaviour. When a sanction is given it will always go hand in hand with a class teacher helping the child to reflect on the consequences of their actions and drawing up a plan for future positive outcomes.

Occasionally, a child may be sent to see the Head of EYFS and KSI at the Junior School, who will explain the inappropriateness of a particular action; but such instances are rare. Parents are informed in person, by email or phone when a sanction or reproof is needed. Following any repetition of hurtful or inappropriate behaviour they will be invited into school to discuss the situation with both their child's teacher and the Head of EYFS to agree a joint way forward for handling the difficulty.

Copies of our Behaviour Management Policy for junior children, including those in EYFS, can be found on the school website. The 'Good to be Green' rewards system used in the early part of the Junior School is displayed in all classrooms and shared with the children so it becomes part of their daily routine.
